

JULY

workbook 2022

Happy July Darlings,

This month has lots of cosmic shifts with all the inner planets moving signs! It's a heavy water based month too, Cancer season, Mercury moves into Cancer on the 5th, joining Lilith & Venus moves into Cancer on the 18th, the South Node in Scorpio & Neptune retrograde in Pisces.. ALL THE FEELS.

Then the card I pulled for the month is of COURSE in total alignment, she actually jumped out of the deck!

You will of course want to be paying attention to the Sun moving through your Cancer house to see what themes are illuminated this month, especially with so much activity there. The Sun, Mercury, Lilith & Venus! This is actually so delicious.

Our Taurus house is also SUPER important this month, not only because Mars moves into Taurus this month for the 1st time in 2 years but we are having a very rare, karmic, out of this world alignment between Uranus, the North Node & Mars.. Gahhhhhh.. I will chat more on the video about this! But 18 degrees Taurus is where it's at! Mark that spot down baby!

Mercury actually speeds through Cancer moving into Leo on the 19th, just a few days before the Sun moves into Leo.

We have the Full Moon in Capricorn on the 14th & the New Moon in Leo on the 29th, I will unpack allllll that in our teaching video!

Both Chiron AND Jupiter station retrograde this month too, so we will be immersed in the watery womb then thrown into the fire!

It's going to be one hella of a month!

LIQUID CRYSTALS

This month I want to DIVE into the liquid crystals, specifically your name trinities. Like our chart, we also chose our name, the most powerful & sacred mantra in the Universe!!

The liquid crystals alchemy through numerology give us a name trinity, with a shadow crystal, a life purpose crystal & higher purpose crystal all to master, which all reveal SO MUCH!

Just wait until I share ALL the things on the video!

So I'm going to leave that bit here, watch the video to find out YOUR name Trinity, with a brief overview of course, as I have to get through all of you, haha..Then I want to hear all the aha moments on your name energy & your crystals!

MAYAN DAY OUT OF TIME

In the liquid Crystals we have 5 days a year where 5 particular crystals become energetically active. All other 72 crystals get 4 days a year where their energy is active except these 5 Next Dimensional crystals, yep 5D. It's pretty friggin Rad. I've been working with these 5 days for a decade now and they are potent gatekeepers where time dissolves, you feel like you are in a quantum leap, it's strange and amazing all at once!

July the 26th every year begins the Mayan new year, based on their 13 month Moon cycle, $28 \times 13 = 364$, which means that extra day is this auspicious and highly galactic day, the Day out of time!

July 25th, the day out of time, it's like a sweet spot in the Universe; it's a day of Sanctuary!

A day to be so present, spend it sacredly, in ritual, deliberately. It is also a lead into the 8.8 portal too! This can be a day you write, read, meditate, create, dance, be in prayer or be of service; being in nature is highly recommended as lots of light messages are wanting to be Earthed. It's a day to anchor your purpose and manifestations. It's a day to truly look at what it is you want to create here in this lifetime. And please know this doesn't have to be flashy and groundbreaking! But it's important to actually tune in to what you want, everyone is very certain of what they don't want, but what they DO want becomes this illusive out of grasp thing.

Give yourself permission to NOT be a superstar, to not be a new pioneering leader; coach, blah blah blah... everyone wants to be Oprah but that's not what this lifetime is about for each individual soul. Truly tap into your heart and joy. Your purpose may be to find inner peace in your life, to garden, to cook, to serve your community, to sponsor a child or be a guardian of the Animals or Nature! It may not be being a leader, a speaker, an author ect ect ect! This is so important to remember.. And if it is.. That's amazing.. Follow that.. Use this day out of time to drop deep into what your purpose would feel like if you were just showing up everyday as WHO YOU TRULY ARE!

How does that feel?

Who would you be?

Below are the dates, the crystals/totem animals and some key words around the energies for this 5 day vortex!

21st July

Celestite - Knowing

Blue Whale

Throat Chakra// Trust in self// Deep knowing// Patience// Divine plan// Angels// Hearing// Universal mind// Peace// Calm// Communicating with knowledge

22nd July
